Can your child be in the same team as their friends?

If you want your child placed in the same team as their friend/s please indicate on your online registration form. We will do our best to accommodate but it isn't guaranteed.

I have registered my child. What happens next? Do they have to grade?

There is no grading for Under 5s/6s/7s. You will need to attend the Miniroos U5s/6s/7s Formation Day on Saturday 26 March 2022 at Morgan Power Reserve. The times for this day are Under 5/6s - 9.00 am and Under 7s - 10.00 am.

What happens on Formation Day?

Your child is placed in his/her team. A committee member is assigned to this team and is responsible for facilitating the introduction of the players with one another, along with the parents. The committee member also works with the parents to try and get a Manager and Coach for each team.

Parents should feel comfortable asking questions on the day. Each team is given a name to have for the season.

Who needs to attend on Formation Day? What happens if I cannot attend?

Please ensure that at least one parent/relative attends with their child on the day. If you cannot attend this day please contact the Age Coordinator, Natalie Buccini (her details are overleaf).

What does my child wear when attending Formation Day? Will there be any training or game playing on this day?

Your child should wear everyday clothes to come to Formation Day *i.e.*, *not soccer gear etc.* There will be no training or game playing on this day. The day is all about meeting your new team.

Can I purchase equipment on this day?

Yes, you will be able to purchase shorts, socks, training kits etc. EFTPOS is available and the only way to pay. Please note, if you are new to the club in the U5s - U7s you are entitled to receive free shorts and socks.

With Parklea SFC using the inhouse model how will training be structured?

When will the season officially begin?

The season will commence for PSFC U5s - U7s Miniroos players on Saturday 9 April. The 2022 U5s to U7s fixtures list will be released a few days after Formation Day.
