Occasionally, we will contact you regarding offers available to our members through sponsors and affiliates. We will not give your information directly to third parties without your consent.

GRADING

Parklea SFC is a graded club; all children from Under 8s to Under 16s and Elite squads will be graded at the start of the year.

The grading policy and process are designed to group players with similar abilities to maximize their enjoyment and opportunities to improve.

Please note that although the club recommends specific grades when registering each team with BDSFA, the final decision regarding the team's division lies with BDSFA.

IMPORTANT NOTE CONCERNING UNDER 11s

Due to evidence-based results, PSFC will continue not offering under 11s in 2024. Those players will be graded into an under 12 side and play 2 seasons in the under 12s to enhance their development and enjoyment.

TIPS FOR GRADING

- Only **registered and paid players** can take part in team grading.
- Players **must arrive 30 minutes before** grading for administration and supplying of bibs.
- Players must attend ALL grading sessions for their age group and **wear shin pads and boots** to participate in grading.
- If you cannot attend grading, the grading committee/club committee will place you in an appropriate team. Please advise by email at parklea@bdsfa.com if you cannot attend a grading session.
- Players who do not attend grading are likely to be assigned in the first instance to the lowest grade team for that age group. The grading committee/club committee decision is final, and no correspondence will be entered regarding this matter.
- Further grading may occur during trial matches if required.
- Grading appeals must be written to the Club President by email at parklea.president@gmail.com. Suitably accredited coaches will assess them from the grading committee with the President and Junior Vice President. The decision is final, and no correspondence will be entered regarding this matter.

The grading schedule will be available on the club's website in January.

MINIROOS 2024

Up to and including Under 7s teams are not graded, and players can be placed in teams with their friends. All Under 5s -to 7s games will be played at Morgan Power Reserve at set times.

In 2024, PSFC will continue to build on its successful Under 5s to 7s in-house experience, incorporating a simple training structure that is fun and inclusive. The club will also continue to help the grassroots coaches, players, and parents enjoy their football to the maximum level possible.

MIXED TEAMS (*Saturday competition*)

Under 12s, 13s, 14s, 15s and 16s

GIRLS TEAMS (*Sunday Competition*)

Under 12s, 14s and 16s

All junior teams are graded. The grading sessions are held at Morgan Power Reserve. (see '**GRADING**'). Other venues may be used, if necessary, from time to time, and all players will be advised and the website updated.

COACHING AND DEVELOPMENT

Our commitment to coaching development will continue in 2024. We aim for every coach within the club to be accredited with a coaching qualification.

BDSFA runs coaching Courses throughout the year, and if you are interested, please see your age group committee contact.

PSFC will reimburse coaches for these courses, subject to successfully passing/completing the course. We will also assist coaches who wish to complete higher-level courses.

SENIOR FOOTBALL 2024

Generally, senior teams have between 12 and 16 players (Over 30s women and Over 35s men can have up to 18 players).

Senior team players are generally not graded (except for the Men's and Women's Premier League squads). The players are responsible for forming their teams in conjunction with the Senior Vice President.

The Senior Vice President will assist new seniors to the club in contacting team managers with vacancies in their teams.

Parklea SFC & BDSFA also require a photo proof of identity (e.g., Driver's License, Passport) for all senior players.

Continuing senior players from 2022 & 23 will continue to keep using their playing shirt. For any new players in 2024, the shirt cost (\$30.00) is included in the 2024 registration price. This is **NOT** an ongoing fee - it only applies when the player needs a new shirt. The player will be responsible for any damage or loss of the shirt, and in the event of loss or damage, the player will need to purchase an additional shirt at the nominated cost.

There is to be no alteration to the playing strip, i.e. Individual names, sponsors, etc., without the express permission of the club.

PREMIER LEAGUE SQUADS

The grading committee grades all elite squads at Parklea SFC that the Executive Committee has formed. Grading commenced in December 2023 for the Men's and Women's squads and will continue into early 2024.

THE GAME SCHEDULE FOR 2024

- Friday nights: Over 30s Women, Over 35s Men
- Saturdays: Mixed competitions for the Under 5s to Under 16s age groups
- Saturday afternoon: U17s & 21s Men and Men's Premier League games

PARENTS/PLAYERS' GAME DAY RESPONSIBILITIES

Parklea SFC is a volunteer organization (including the committee) and can only function with the support of players and parents.

Each team has a minimum set of responsibilities that must be carried out throughout the year.

Minirosos, Junior and Senior Teams:

1. Set up the field before all home games when the team is the first game scheduled (including nets, corner flags, benches/chairs, garbage bins etc.).
2. Pack up all equipment from the field after all home games when no following game is scheduled (including all rubbish, benches/chairs, nets, corner flags, bins etc.).
3. Staff the canteen and BBQ for at least two morning or afternoon shifts during the season with a minimum of 4 persons over the age of 16 (a roster will be supplied and distributed to all Team Managers)
4. Teams can only start the season with a Coach or Manager. Roles for these positions are listed overleaf. Teams also need to provide a Ground Official for each game.

Coach

The role is to teach the game of football and to develop the skills of their players and team to the best of their ability (the club offers coaching support and courses).

Manager

The role is to communicate between the club and the players/parents. They work closely with the age group coordinator regarding matches, results, etc.

The manager is responsible for completing electronic team sheets each week.

Ground Official

The role is to stay with supporters, maintain crowd control per BDSFA regulations, and assist the referee as required.

The BDSFA requires that every team provides a Ground Official for every game.

Where a team fails to meet these responsibilities, the team will be allocated more sessions in the canteen at the discretion of the Executive Committee. The team may also forfeit their next game.

PARENTS/PLAYERS' CODE OF CONDUCT

The Code of Conduct binds all Parklea SFC members (players and parents) signed at registration. Failure to observe this Code could lead to disciplinary action, which, in its most extreme form, could result in dismissal from the Club. Copies are available on the website and from the clubhouse.

In 2005, the NSW Government and sporting associations began a program to combat increasing violence in sports (refer to details at <https://sport.nsw.gov.au/clubs/ryc/fairplay/sportrage>). This will again be a focus in 2023, and both the Club and the Association intend to take a hard line on breaches of conduct, especially where physical and verbal abuse is concerned.

CLUB STRIP AND EQUIPMENT

All players must provide their playing equipment, e.g. boots, shin pads, etc. Socks and shorts must be purchased from the club and worn in all competition and non-competition games whilst representing PSFC.

Playing shirts (strips) are provided to the team manager (not applicable to senior teams) at the start of the year and are to be kept together and washed after each game. Strips should not be worn home from playing fields after finishing the match.

Strips are to be gently washed and air dried only; under no circumstances are they to be tumble dried. Strips are to be returned to the club at the end of the season on designated days, washed and in good condition (not applicable to senior teams).

PLEASE NOTE

Players NOT in full club uniform will not be permitted to play in competitive matches.

PLAYER INSURANCE

The player registration fee payment includes an insurance premium required through Football NSW. All players are covered for limited medical costs when no other insurance exists and, where the player has registered as a NON-STUDENT, limited loss of wages.

Full insurance details are provided on the Football NSW website - www.footballnsw.com.au.

PLEASE NOTE

if you work full or part-time and wish to have your income insured under the policy, you must register as a NON-STUDENT. There are NO EXCEPTIONS to this, and players registered as STUDENT will not be able to claim loss of income under any circumstances if they are injured.

If your circumstances change before the season commences (e.g., you start working part-time at McDonalds), you must advise the club and pay the additional registration fee if you wish to have that income insured. Once the season has commenced, there is no provision to amend your level of coverage.
